Shout out to Justin Underwood for a recent victory in a week-long Intox Manslaughter and Manslaughter trial in El Paso. Trial resulted from an accident on I-10 in a construction zone. No witnesses at scene, but cops said D was intoxicated. Only officer at hospital said Intox, based solely off HGN and interaction with D?an interaction he described as perfectly normal about 20 times, says Justin.

1.? The online SDR, which is regularly emailed to all current TCDLA members, is summarized in a man-ner that allows readers to generally use the SDR instead of reading every opinion. It includes more than just the relevant holding(s).

2.?These summaries are not a substitute for reading the whole case.

David Michael Ryan sent a shout out to Mark Bennett and Lane Haygood for their recent NG verdict in DC441. D, an 18-year-old senior, plead out to DADJ after asking 14-year-old freshman if he is gay and wants to copulate. Mark got the statute found unconstitutional, then was retained to get D out of plea. Done. Miffed state files criminal solicitation of a minor charges. Turns out D was acting as middleman for interested party.
